

Group Therapy Program *For Adults with Chronic Pain*

Beth Israel

Continuum Health Partners, Inc.

The Department of Pain Medicine and Palliative Care offers group therapy sessions to address the health and well-being of individuals with chronic pain and their family members.

Groups meet **EVERY WEEK** for 8 weeks, beginning on
February 19, 2008 until April 8, 2008

We will assist you in using helpful strategies for coping with chronic pain.

Chronic Pain Group

Every Tuesday, 4:00 pm to 5:30 pm

At the Karpas Health Information Center
311 First Avenue (at the corner of 18th Street)
